

The Big Idea

This one-day training event is open to all in the Midwest Presbytery. It is specifically targeted:

- For those who have gone through a year of surviving and are seeking a way to move on to thriving.

For churches in transition from one pastor to the next.

- For leaders of churches in Midwest Presbytery praying for greater church vitality.

- For all who are presently engaged in revitalization projects in their churches.

- For those who are considering applying for revitalization grants.

- For those who would like to learn how to become revitalization coaches in the presbytery.

“Now the full number of those who believed were of one heart and soul... And with great power the apostles were giving their testimony to the resurrection of the Lord Jesus, and great grace was upon them all.”

- Acts 4:32-33
